Classic Café

2012 parent enrichment program

Mars Hill Academy is one of many schools across the country that seek to revive classical education, a time-tested form of education originally developed by the Greeks and Romans. The stages of the classical model are the Grammar Stage (which includes the study of Latin), the Logic Stage, and the Rhetoric Stage.

Classic Café sessions are free and open to anyone interested in learning more. Bring your lunch and a friend, and join us at MHA as we hear from staff on topics relative to classical and Christian education. Child-care will be provided for children of MHA parents. Please see this semester's Classic Café schedule below.
