

Discover Classical Education

Mars Hill Academy, Cincinnati's only K-12 classical and Christian school, encourages you to discover classical education during our upcoming Kindergarten Open House. You'll hear directly from an MHA kindergarten teacher about the unique features of Mars Hill's kindergarten program, the beginning of the classical Christian education journey. Plan now to attend this event, and discover an education which raises up lifelong learners and thinkers, and embraces the standards of truth, goodness, and beauty. No rsvp is necessary. To learn more about Mars Hill, visit www.marshall.edu. Call **513-770-3223** for more event information or to schedule a classroom visit.
