Mars Hill Academy is the only established classical and Christian school in greater Cincinnati, and offers its students a unique classical curriculum and a distinctly Christian culture. Although the school was founded in 1996, this is the school's second year in its new facility in Mason at 4230 Aero Drive, just off I-71 and Western Row. This year the school has enjoyed accolades from *Cincinnati Magazine*, which recently ranked MHA's high school among the top five private high schools in Cincinnati. Additionally, the Association of Classical and Christian Schools has renewed Mars Hill's accreditation, making Mars Hill one of 14 ACCS accredited schools, out of over 200 ACCS schools in existence nationwide.
